

No deal Brexit import process

Before goods leave EU

When goods arrive to UK

1. Apply for UK Economic Operator Registration and Identification (EORI) number
2. Decide the correct classification and value of the goods
3. Prepare Export declaration

1. Entry Summary Declaration and submit Import declaration
2. Pay Value Added Tax (VAT) and import duties if applicable
3. Excise goods - declare the goods on EMCS for onward movement via a Registered Consignor

What we need from you

- Instructions if you wish Zeta to make import / export declarations on your behalf
- If yes:
 - Information if you have a deferment account for VAT and duty payment
 - We will require commercial invoice, packing list and freight insurance. Freight documents and import / export declarations will be arranged by Zeta
